

SDRplay Slavery and Human Trafficking Policy

We are committed to promoting and maintaining the highest level of ethical standards in relation to all our business activities. We are aware of the provisions of the Modern Slavery Act 2015 and will promote the values of anti-slavery and anti-human trafficking in all our business dealings. Slavery and human trafficking will not take place within our business, nor, to the best of our knowledge, within the business of any of our suppliers. We will monitor our supplier policies to ensure we do not engage suppliers who, we believe, may be associated with slavery or human trafficking activities.
